Antelope AYSO Referee Shortage Acknowledgement

Due to a critical shortage of volunteers, we currently do not have enough referees to officiate the approximately 100 soccer teams playing games each week for this coming soccer season. If we do not get **at least one parent-volunteer** from **each team** to sign up and officiate at least one game per week for the season, we may have to cancel that team's official game on Saturday. According to the AYSO National Rules and Regulations, no official game may be played without a referee certified at the appropriate level. Certification can be attained in a referee course offered free of charge to volunteers.

I understand the above, that my child's games on Saturdays might be canceled in the coming season due to a lack of a parent-volunteer referee from our team. There is no guarantee of any number of official games included in the registration price for the coming soccer season.

..... please check one

I will attend a referee training course and will officiate at least one game per week whether it is my child's game or otherwise.

I will not consider volunteering, and understand that this might affect the number of official games my child could play this season.

Antelope AYSO Kids Zone Parent Pledge

Please read, initial each item, sign at the end, and return with your registration.

1. **I/We** pledge to be on time or early when arriving with my child for a practice or game. I understand that it is embarrassing for my child to be late to a game or practice and that I am putting him/her at physical risk by not providing adequate time for warm up. I understand the importance of picking up my child on time for all games/practices. This shows respect for the coach, who has other time commitments, and tells my child that he or she is my top priority. _____ (initials)
2. **I/We** understand that the top three reasons kids play sports are to have fun, make new friends and learn new skills. I understand that the game is for the kids, and that I will encourage my child to have fun and keep sport in its proper perspective. I understand that athletes do their best when they are emotionally healthy, so I will be positive and supportive. _____ (initials)
3. **I/We** will redefine what it is to be a "Winner" in my conversations with my child. A Winner is someone who makes maximum effort, continues to learn and improve, and does not let mistakes, or fear of making mistakes, stop them. I understand that mistakes are an inevitable part of any game and that people learn from their mistakes. I understand that all children are born with different abilities and that the true measure is not how my child compares to others but how he/she is doing in comparison to his/her best self. _____ (initials)
4. **I/We** will "Honor the Game." I understand the importance of setting a good example of sportsmanship to my child. No matter what others may do, **I will show respect for all involved in the game including coaches, players, opponents, opposing fans, and referees.** I understand that officials, coaches, and players make mistakes. If the referee makes a "questionable" call, I will continue to respect the individual and be silent! And I will ask other parents and spectators near me to set a good example of sportsmanship as I am doing. _____ (initials)
5. **I/We** understand that games can be exciting times for my child who is trying to deal with the fast-paced action of the game, respond to opponents, referees, teammates and listen to coaches. **I will not add confusion by yelling out instructions.** During the game, I will limit my comments to encouraging my child and other players for both teams. I agree to let the coach(es) coach the game while I only encourage the players. _____ (initials)
6. **I/We will not make negative comments about the game, coaches, referees or teammates in my child's presence.** I understand that this plants a seed, which can negatively influence my child's motivation and overall experience. _____ (initials)

I agree to honor the AYSO Parent Pledge in my words and actions.
