

Select Season - Information and Intent to Play

- WHAT** Select Soccer is a winter/spring competitive season for under 10, 12, 14, and 16/19 players.
- WHEN** Practice for the season will begin mid December. Games are held on Saturdays from the first week in January through the end of March. A weekend Select Tournament will be scheduled for late March or early April and will complete the "season". Additional practices and tournament play may continue from April through July.
- WHERE** Half of the games are away and can be as far away as the East Bay Area (Concord, Pleasant Hills) and Davis.
- COST** Approximately \$70 which includes a uniform and the Select Season fees. Should a team choose to participate in additional tournaments, the cost is approximately \$25 per player, per tournament. Teams may also opt to rent lighted practice fields, approximately \$35 per player per month, depending on the number of teams.
- PLAYERS** Players are selected based on interest (by completing and submitting this form), history, and player evaluations completed by Fall coaches. **Completion and submittal of this form qualifies the player for selection but does not guarantee placement on a Select Season team . Player must also participate in at least 2/3 of the regular season games. (U16/19- minimum 8 games, U10-U14- minimum 7 games)**
- PRACTICES** They are at a time and location of the coach's choosing. Typically they are an hour or two long, three times a week. Some teams practice a little more, some a little less.
- COMMITMENT** The Select Season is for motivated, enthusiastic players. For the good of the team a player must regularly attend practices and games. A good player attitude and parental support are essential. A player who signs up but changes his/her mind and does not wish to play must notify the coach who in turn will notify the select coordinator.

MEETING There will be a Select Season information meeting on Saturday, September 27. Time and location TBD.
