AYSO Select— The best way to
Play on!

- Select soccer is a competitive winter/spring sport for under 10, 12, 14 and 16/19 players. The program is for motivated and enthusiastic players. Players are selected based on interest, ability, attitude, parent participation and coach observations. Eligible players must participate in at least 2/3 of the all regular season games.
- Practices start in December and run 1.5-2 hours twice a week. Games are held on Saturdays from the beginning of January through the end of March. About half of the games are away and can be as far the East Bay Area (Concord, Pleasant Hill) and Davis. Additional practices and tournament play may continue from April through July.
- The select teams must be fully self sufficient, meaning all team expenses must be covered by the team or the team's sponsors. In addition, the registration fee for select is about \$70.00, which included the uniform and regional fees. Teams also have the option to rent practice facilities which can be approximately \$35 per player per month. Tournaments run between \$400 and \$600 per team.
