

Select Season Sponsorship

The **American Youth Soccer Organization** (AYSO) is an organization of over 650,000 players nationwide. Our local region in Antelope is providing an opportunity for nearly a thousand kids to play soccer each year. Antelope AYSO is run exclusively by volunteers and the donations from our many sponsors have helped make it possible for the children and their families to enjoy soccer in their own neighborhood.

AYSO is an organization which believes in children and the positive benefits of fun and fair play. Our philosophies are *Everyone Plays, Balanced Teams, Good Sportsmanship, Positive Coaching, Open Registration, and Player Development*. Through your donations, every child can play every game in a safe, fair and fun environment.

We are asking local organizations and businesses to help by sponsoring teams, and we are offering several ways for you to do this. The money is used to purchase equipment for teams and for our fields. Your sponsorship is important to our program and also fosters a stronger feeling of community involvement in our teams and parents.

The Select Season provides opportunities and challenges beyond the Fall Season. The Select teams travel well outside the Antelope area to play other AYSO Select teams from across Northern California. These teams typically continue past the Select Season and participate in the many tournaments throughout the spring. The expense of their uniforms, field equipment funds, traveling costs, and tournament entry fees are above and beyond the normal Fall Season program.

It is because of these additional expenses that each Select team seeks sponsorships. The teams must cover all of their own expenses for the Select Season. Your contributions allow these teams to participate at the highest level of competition within the AYSO organization.

For those sponsors who wish to donate different amounts or sponsor the region in general instead of individual teams, we offer website advertising with logos and additional advertising included. Please contact the region at 916-491-2529 and ask for the Regional Commissioner or the Select Coordinator.

Teams reward their sponsors in their own unique ways. In most cases a sponsor plaque is presented to the sponsor and the sponsor's name is included on the team's banner and on the AntelopeAYSO.org website. Certainly each team will find a means to express their thanks for your generous sponsorship.

If you would like to sponsor a team, please fill out the Sponsorship Form, include a check made out to AntelopeAYSO (Region 884), and mail it to the address on the letterhead. Thank you for your support of our soccer program.
