About Antelope AYSO

The American Youth Soccer Organization (AYSO) is an organization of over 500,000 players nationwide. Our local region in Antelope is providing an opportunity for approximately 600 local kids to play soccer each year. Antelope AYSO is run exclusively by volunteers. Our regions volunteers and sponsors have helped make it possible for children and their families to enjoy the beautiful game of soccer in their own neighborhood.

AYSO is an organization which focuses on kids and the positive benefits of fun and fair play. Our philosophies are Everyone Plays, Balanced Teams, Good Sportsmanship, Positive Coaching, Open Registration and Player Development. Through your donations, every child can play every game in a safe, fair and fun environment.

We ask local organizations and businesses to help by sponsoring teams, goals, fields or parks and we are offering several ways for you to do this. The funds are used to purchase equipment for teams and for our fields. Your sponsorship is significant to our program and also fosters a stronger feeling of community involvement in our teams and parents.

Fall 2019 Sponsorship Opportunities

This year we have various opportunities available where sponsors can sponsor one or more teams, host a Goal, a Field or Park named for them on every Soccer Saturday of the season (depending on age groups that is 9-12 Saturdays from August to November). We hope to replace several of our goals and nets this year as well as update our safety kits. This helps mitigate the risk of injuries to young players and keep the game fun and safe for them as they work to improve their skills.

Please consider the sponsorship opportunities below, **for best recognition, sponsor commitments should be received by August 12**, (earlier is better to allow plenty of time for teams to prepare their banners for Opening Day). After this date, we can still accept sponsors up to August 30, however some options for visible recognition and announcements offered will have already passed.

Sponsorship Options & Benefits

All levels of Sponsors receive:

- Opening Day recognition at our parade of teams on August 17th at Center High School at 9 am.
