Antelope, CA 95843

Dear Potential Sponsor:

The American Youth Soccer Organization (AYSO) is an organization of over 650,000 players nationwide. Our local region 884 in Antelope is providing an opportunity for 600 kids to play soccer each year. Antelope AYSO is run exclusively by volunteers and the registration fee paid by each player covers only a portion of the total expense. Thanks to our volunteers, Sunrise Parks and Recreation, and donations from our many sponsors, have helped make it possible for the children and their families to enjoy soccer in their own community.

Not only do we provide a place for kids to play soccer, but we partnered with several other organization in the community for the Cleaner Parks Drive at two of our local parks where we play. We donate a portion of our proceeds to buy dog poop bags for dog stations throughout the parks. A local paper just published an article about how the parks are much cleaner than they were and mention all the organization that helped make it possible. We could not be prouder.

We are asking local organizations and businesses to continue to help by sponsoring teams, fields, parks, and equipment for the upcoming season. Your sponsorship is important to our program and fosters a stronger feeling of community involvement in our teams and parents. All donations are tax deductible as Antelope AYSO is a 501(c)(3) non-profit corporation (tax ID #95-6205398).

If you require more information, please contact the Sponsorship Coordinator, Steven Wright, at [steven.wright@antelopeayso.org](mailto:steven.wright@antelopeayso.org). You can also visit our website at [www.antelopeayso.org](http://www.antelopeayso.org). If you would like to be a sponsor, please fill out the attached Sponsorship Form, include a check made out to Antelope AYSO (Region 884), and mail it to the address on the Sponsorship Form.

***Thank you for supporting Antelope AYSO soccer!***
