10/14	6:00 - 6:45pm	Soccer Time - end of Season Party*

*Time may shift slightly if it is too dark

Players and parents are paired up for a 50 minute session of *Skills, drills and thrills* - Dress comfortably and be prepared to learn -The kids will then play a 20 minute short sided game.

All Parents/Volunteers MUST complete a Volunteer form Online AND take SAFESPORT and SAFE HAVEN online courses. Your child's safety is our highest priority.

Parents & players will love this "one with one" weekly Soccer Experience - the best introduction to soccer for our youngest players and their parents!

AYSO REGION #884

UNDER 5 DIVISION

Parents-

To insure that our 2022 U-5/Jamboree "One with One" soccer experience is a success for your child, Parents/Volunteers **must** complete an online Volunteer form and take SAFESPORT and Safe Haven courses online before their child may participate. We will have registered volunteers working with the kids during these sessions.

Then the fun really begins. The "One with One" soccer experience sessions start Friday, August 19th from 6:00pm to 7:15pm at Firestone Park and continues through October 14th. Parents should wear tennis shoes and comfortable clothes, as you will be playing soccer with your child - "One with One". You will be leading them through warm ups, stretching and U5 Jamboree designed soccer drills. The sessions will end with the players participating in a short-sided game while parents help coach, referee and provide positive support and encouragement.
